1. Smyrna Cross

- Doesn't matter which side of the stitch you begin at, but I recommend using the same stitch sequence for each Smyrna.
- Complete one full Smyrna cross before making the next one.

2. Stitched Lines

- Pay attention to the direction of
- Sew these as running stitches, using the edges of the gingham squares to determine the length of the stitch.

3. Woven Circles

- Weave leading with the eye of your needle to avoid splitting the stitches.
